WHO

Home Delivery helps customers who are unable to visit the library themselves due to health or mobility issues. This allows them to have access to books and other library materials. Often providing a lifeline for those living alone or unable to get out.

WHAT

We are looking for volunteers who can support the library by collecting bags of books from Sutton-in-Ashfield Library and delivering them to customers. Your own transport helpful, but not necessary.

THE ROLE

Days available - Monday to Friday (am and pm) and Saturday mornings.
